SANI-HANDS® FOR KIDS

{ gentle & kid friendly }

Even kids know that eating with dirty hands is a big-time no-no!

That's because clean hands help prevent the spread of germs. Yet, how many of your patrons and their children really take the time to wash their hands before they eat? Offer your customers Sani Professional® Brand Sani-Hands® for Kids Instant Hand Sanitizing Wipes with their meal for use before they eat. Unlike other products, it's specially formulated for use prior to handling food. Most other products require hands to be rinsed before handling food. Now that's food for thought!
